

We won't be silenced!

Not by our employers, and not by SEIU

Olympia Medical Center has been teaming up with SEIU officials from Washington, D.C., behind the backs of healthcare workers like us, to try to silence our union stewards and stop them from telling us the truth about what's going on in our union.

We elected our stewards to represent us and do what's best for healthcare workers—not what's best for SEIU officials or what's best for our bosses.

“Join us at Olympia Medical Center on Tuesday—tell Dr. Ravan to stop breaking the law and stop talking to SEIU behind our backs!”

—Will Brennan, PBX Operator

SEIU UHW-W staff have violated our trust, violated our rights to free speech and participation in our union, and violated federal labor law by teaming up with management instead of being on our side.

We're filing charges against SEIU, and protesting Olympia Medical Center to expose their illegal collusion with SEIU. It's **our** union, not theirs!

Support our right to free speech
