

Centinela Wages Far Behind Area Hospitals

The \$13,000 Per Year Difference

Compare for yourself what former UHW leaders (Now NUHW leaders) won at our sister hospital Marina in 2007 to what SEIU-UHW Trustees got for us.

We are both going into bargaining now, but we are starting way behind Marina and other area hospitals. Check it out:

The average difference in starting pay in the classifications below is \$6.45 per hour and over \$13,000 per year for full-time work.

The average difference at the 10 year scale is \$6.70/hr which is almost \$14,000 per year
