

# NUHW is Ready to Win

**When our votes are finally counted, we're going to be ready to win improvements in pay and healthcare.** We're working with NUHW to prepare us for bargaining so that as soon as the ballots are counted - we'll be ready.

**Meanwhile, SEIU/SWU is working extra hard to make sure we don't have a union.** They claimed that the ballots would be counted by now. But it's 14 days since we had our election and they still won't back down from holding our ballots hostage. Why won't SEIU/SWU allow the NLRB to count the ballots?
